

Eastlakes Edition

Term 1 Week 1 – 1st February 2019

Welcome back!

Welcome back to all our families who are with us again and to all our new families who are joining our school this year. We hope that everyone has had a relaxing and fun holiday. It's great to see everyone back and look forward to an exciting year ahead at Eastlakes Public School.

I would like to welcome back teachers who are re-joining Eastlakes PS this year. Welcome back to Ms Santopietro and Mrs Rose. Ms Santopietro will be working with 1KSC on Mondays & Tuesdays and Mrs Rose supporting students on Mondays. We look forward to having you work with our students and their families. I would like to extend a big welcome to Miss Harrison who is joining Eastlakes PS. Miss Harrison was successful through merit selection in obtaining the position of class teacher for the new Autism Support Class this year. We hope you enjoy your time here at Eastlakes PS working with and supporting our students.

As we settle into the school year, more information will be sent to parents via letters, newsletter, the school app and website. Please check your child's schoolbag regularly for paper copies of information. In our attempt to be a 'greener school', the fortnightly newsletter will be available via the school app or website for viewing. This significantly decreases the paper the school uses. It is recommended that you download and use the school app – Skoolbag. You can download this for free by searching Eastlakes Public School in your device's app store. Lots of information is coming your way so stay tuned!

This is a reminder that the school day starts at 9am and finishes at 3pm. Students are not to be at school prior to 8:30am. Students are to leave school promptly at 3pm. If you are unable to provide care for your child outside of school hours should enroll their child at SMOOSH Eastlakes (0431427176) which is located on the

PBL

As we begin the school year we also begin teaching students our school expectations through our positive behavior for learning wellbeing systems. PBL promotes student social, emotional and academic wellbeing through the systems and practices, and data we collect and embed. Remember at Eastlakes PS we are **Respectful, Responsible Learners**. Stay tuned each week for our PBL focus that we are working on.

Thank you once again to MGM Properties at Mascot for your generous contribution to the student in years 3-6 attending swimming lessons at UNSW swimming pool.
