Rise to the Challenge

Thank you

It was School Administration Staff (SAS) Recognition Week last week and we celebrated our fabulous SAS staff. Students made cards with lovely messages and the teaching staff put on a special morning tea to thank our SAS staff for everything they do in our school to help all of us – teachers, students and parents. Our SAS staff are Mrs Peralta, our school administration manager, Mrs Fitzpatrick, our school administration officer, Mrs Ayyan and Mrs Attia, our school learning support officers, Mr Steve Kozarovski and Mr Kevin Bethe, our general assistants.

Find your Treasure – Book Week

This year we celebrated Book Week with a fantastic character parade, a visit from illustrator, Matthew Lin, a gold coin treasure hunt and our annual book fair. It was wonderful to see students and teachers getting involved in book week by dressing up as pirates and many other book characters.

Years 3 to 6 were lucky enough to see illustrator, Matthew Lin, who showed students different drawing skills. Thanks to Mr Spencer who organised this exciting opportunity. Mr Spencer also had hidden golden treasure around the school and when students found it they received a special prize.

It's always great to see how successful the book fair is with lots of books and other fun things like fancy pens, erasers and book marks being bought by students.

Read, read, read, the more you read the more you know, the more you know the more places you'll go - Dr. Seuss

Positive Behaviour for Learning- PBL

**We are
respectful**

**We are
responsible**

**We are
learners**

Week 9 PBL Focus

RESPONSIBLE

We show responsible behaviour to our friends, other students and teachers in the classroom.

We do this by:

- Keeping your workspace clean and tidy.
- Putting things away in the right place when you are finished.

Week 10 PBL Focus

RESPECTFUL

We are all respectful, responsible learners in the holidays. In the holidays we will:

- Keep ourselves safe.
- Listen to our parents and follow their instructions.
- Read books.
- Help our parents.

We do this so we have a safe and happy holiday.

The Dancesport Challenge

22 students from Years 4, 5 and 6 have been involved in the Dancesport Challenge over the last 15 weeks. They learned four dances: the jive, salsa, tango and the cha cha taught to them by Emma, a professional dance teacher and performed with over 700 other students at the Dancesport Challenge Gala evening at Quayside Homebush this week. It was a spectacular event! Congratulations to all the students involved and to Ms Roth who has coordinated and organised the program at our school. A special congratulations to Harun 5-4R, who received the *Dancesport Challenge Student Achievement* award out of 20 schools on the night.

2/10 Film Making for Filmz by Kidz

2/10 thoroughly enjoyed making a film for the 'Film by Kidz' festival. Our film was called 'The Life of Jiggy the Jellyfish' which showed the lifecycle of a jellyfish. We created an underwater scene using a box, along with all of the props to decorate. We used our voices as the characters and added sound effects and music.

Our film was lucky enough to be chosen to proceed to the next round along with 1/KV. We will be attending a film viewing night on the 22nd October where we will view our film, along with all other successful films on the big screen. We are very excited and proud of ourselves!
